PROFESSIONAL SUMMARY

Over 20 years of experience leading transformation, automation, and re-engineering of critical infrastructure and network architectures in the financial and corporate sectors. Specialist in Linux/Bash automation, virtualized environments (Proxmox, VMware, XenCenter), and Level 3 complex incident management. Proven track record leading technical teams (8+ members) and ensuring operational continuity with zero business impact.

TECHNICAL STACK & CORE COMPETENCIES

Virtualization: Proxmox VE, VMware ESXi, XenCenter.
OS & Scripting: Linux (Debian/Ubuntu/SLES/RHEL/CentOS), Windows Server, Bash Scripting, Git, Jenkins.
Networking & Sec.: DrayTek, Fortigate, Mikrotik, VPNs, Network Segmentation, OpenLDAP, Zscaler, Sentinel One, Qualys, more.
IT Leadership: L3 Support, EOL Re-engineering, Training & Mentoring, Agile Methodologies (Jira).

EXPERIENCIA LABORAL

- **BBVA | Branch IT Infrastructure Architect / Arch Lead**
  May 2022 – Present (+4 years 5 months, see recommendations)
  - Re-engineering over more than 2000 servers, 1500 desktops, 2500 laptop. Also leadership and management of an 8-person engineering team.
  - Bash automation, reproducible server images, and private package repositories.
  - L3 Support leadership and execution of critical, zero-impact infrastructure changes.
  - Vulnerabilities Mitigation, management and troubleshooting of several security tools.
- **BALAT (Tym y Karides) | IT Infrastructure Architect & Tech Support**
  October 2019 – April 2022 (see recommendations)
  - End-to-end administration for 200+ users, Proxmox/VMware clusters, and Fortigate/Mikrotik networking.
- **ARROBA INGENIERÍA | IT Infrastructure Architect**
  February 2011 – September 2019 (see recommendations)
  - Virtualization, cloud migrations, and multi-client infrastructure support.

EDUCATION & LANGUAGES

- Campus BBVA: Some about, leadership, feedback, projects, and more.
  To see more information click the link above.
- B.S. in Systems Engineering | UDEMM (On hold)
- Electronics Technician | Pío IX High School
- Languages: English: Advanced (Reading/Writing/Technical) | Intermediate (Conversational)
  Spanish: Native

FEATURED RECOMMENDATIONS

"Javier didn't just meet his assignments; he was a driving force in execution... ensuring critical changes with zero impact."
– Mauricio Gudiño, Infrastructure & IT Ops Principal Manager, BBVA.

"Javier stands out for his proactivity, empathy, and problem-solving skills. In a short time, he became a key reference and leader in the group, always putting people first."
— María del Carmen Premuzic, Branch Platform Architecture, BBVA.
